"This novel's funny first-person narrative will grab teens (and not just sci-fi fans) with its romance and the screwball special effects."—*Booklist*

Meet Egg. Her real name is Victoria Jurgen, but she's renamed herself after the kick-ass heroine of her favorite sci-fi movie, TERMINAL EARTH. Like her namesake, Egg dresses all in white, colors her eyebrows, and shaves her head. She always knows the right answers, she's always in control, and she's far too busy — taking photos for the school paper, meeting with the Science Fiction and Fantasy Club, and hanging out at the "creature shop" with her dad, the special-effects makeup wizard — to be bothered with friends, much less members of the opposite sex. As far as Egg is concerned, she's boy proof, and she likes it that way. But then Egg meets a boy named Max, a boy who's smart and funny and creative and cool . . . and happens to like Egg. Could this be the end of the world — at least as Egg knows it?

Scott Anderson:

Many people spending their moment by playing outside together with friends, fun activity along with family or just watching TV the entire day. You can have new activity to shell out your whole day by studying a book. Ugh, do you think reading a book can definitely hard because you have to accept the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Smartphone. Like Boy Proof which is keeping the e-book version. So , try out this book? Let's find.

Thelma Martin:

Is it you who having spare time after that spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something new? This Boy Proof can be the solution, oh how comes? The new book you know. You are therefore out of date, spending your free time by reading in this new era is common not a geek activity. So what these textbooks have than the others?

Toni Sargent:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Boy Proof can make you feel more interested to read.
