Fat Sex: The Naked Truth (Fat Books) Rebecca Jane Weinstein

If there are two subjects that are universally fascinating and rife with controversy, they are sex and fat. Though our culture is obsessed with both, the two commingling are sometimes seen as offensive, obscene, or even grotesque. Fat people are not viewed as sexual beings. Of course, this perception is far from accurate. Fat people have normal and peculiar sex lives, just like everyone else. A compilation of true stories, cultural references, and narrative commentary, *Fat Sex: The Naked Truth*, tells the honest, and often heroic, heartbreaking, and hilarious experiences of large-size women and men in their romantic, intimate, and sexual relationships. Subjects touched on include heterosexual relationships, gay men and lesbian women, those who have gained and lost a great deal of weight, and the sexual “underground” such as fetishes. Although the people portrayed in *Fat Sex: The Naked Truth* sometimes face bigotry and experience shame—they are often valiant and live remarkably fulfilling lives. The stories are compelling and told with sensitivity and wit, connecting people on profoundly important aspects of their lives. This book is not just for large-size people. The stories and issues discussed touch all of us, each and every person who has ever experienced the trials and tribulations, as well as the ecstasies, of intimate relationships.

Michael Marx:

People live in this new day time of lifestyle always aim to and must have the time or they will get great deal of stress from both daily life and work. So , when we ask do people have extra time, we will say absolutely of course. People is human not just a robot. Then we inquire again, what kind of activity do you possess when the spare time coming to a person of course your answer can unlimited right. Then ever try this one, reading textbooks. It can be your alternative inside spending your spare time, the book you have read will be Fat Sex: The Naked Truth (Fat Books).

Ann Amos:

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Fat Sex: The Naked Truth (Fat Books) can make you feel more interested to read.
