Hawaiian Magic & Spirituality Scott Cunningham

Today, many people are examining the traditions of American indigenous peoples as a guide to their spirituality. Virtually all of the Native American traditions have been explored, except for the spiritual system of Hawaii.

Hawaiian Magic & Spirituality (previously published as *Hawaiian Religion and Magic*) by famed author Scott Cunningham changes this for good. Now you can discover the real secrets of Hawaii!

In this book Cunningham shares all he learned in his many trips to Hawaii. You'll learn about the kahunas, keepers of ancient Hawaiian wisdom. You'll learn about Mana, the mystical energy within humans, animals, plants, and certain places. Mana can be used for everything from magic and healing to praying and fishing. How do you use it? You'll find out here!

The gods and goddesses were an important part of Hawaiian life. In this book you'll find out about many of them, from Pele, goddess of volcanoes, to Ku, god of fishing. You'll get complete information on over 60 of the deities of Hawaii.

Cunningham also covers the secrets of the magic of Hawaii. He shares the techniques of spell casting and divination, along with the secrets of Hawaiian plants. He also describes the way these plants were used for healing.

If you are looking for more information about an ancient culture that is now being lost to the incursion of Western society, you'll want this book. If you want to find out about the history of Hawaii, this book is for you, too.

Today, many people are searching for a spiritual system that is right for them. Some look to the East. Perhaps the answer to their search ? perhaps the answer to your search ? is in one of the United States. You owe it to yourself to find out!
