## **Jaina Theory of Multiple Facets of Reality and Truth (BLII)** Nagin Shah

No one has ever explained the Jaina concepts of nine 'reals', six substances, causation, spiritual attitude, spiritualness, non-violence, austerity, God, Karma, non-absolutism, relativity of commandments, etc. as interestingly and lucidly as Nyayavijayaji has done. The work reveals his stupendous scholarship, his positive approach, his non-sectarian outlook, his wisdom and competence in attempting synthesis of conflicting views, his mastery of India philosophical and religious thought, his insight into the heart of religion, freshness of his interpretation of old texts, his sensitivity to all aspects of a problem, and his spiritual craving. It attempts to arouse sympathetic responses to the ethical and spiritual aspirations of man.
