Rethinking Normal: A Memoir in Transition

Katie Rain Hill

Rethinking Normal: A Memoir in Transition Katie Rain Hill

In her unique, generous, and affecting voice, nineteen-year-old Katie Rain Hill shares her personal journey of undergoing gender reassignment. Now with a reading group guide!

Katie Rain Hill realized very young that a serious mistake had been made; she was a girl who had been born in the body of a boy. Suffocating under her peers' bullying and the mounting pressure to be "normal," Katie tried to take her life at the age of eight years old. After several other failed attempts, she finally understood that "Katie"—the girl trapped within her—was determined to live.

In this first-person account, Katie reflects on her pain-filled childhood and the events leading up to the life-changing decision to undergo gender reassignment as a teenager. She reveals the unique challenges she faced while unlearning how to be a boy and shares what it was like to navigate the dating world—and experience heartbreak for the first time—in a body that matched her gender identity.

Told in an unwaveringly honest voice, *Rethinking Normal* is a coming-of-age story about transcending physical appearances and redefining the parameters of "normalcy" to embody one's true self.
