The Phish Book

Richard Gehr, Phish

The Phish Book Richard Gehr, Phish

Having played more than a thousand shows and recorded nine albums during their fifteen years together, Phish now brings us a different kind of performance--a written one. The first and only authorized book about the band, **The Phish Book** is an extraordinary verbal and visual chronicle of a year in the life of Phish, featuring extensive interviews with the four band members--Trey Anastasio, Jon Fishman, Mike Gordon, and Page McConnell--conducted by writer Richard Gehr, who also serves as guide to the history, mythology, musical context, and unique audience-band relationship in which the Vermont quartet flourishes.

While it contains many of the trappings of other lavish rock monuments--including more than two hundred pieces of previously unpublished art and photography from the band's private archive--**The Phish Book** raises the form to a higher level by means of an innovative roundtable-style discussion format. Richard Gehr and Phish use the events of 1997 as a jumping-off point from which the band members free-associate about themselves, their music, and the dedicated and colorful community that springs up wherever they perform.

Beginning with the backstage scene at Boston's Fleet Center on New Year's Eve, 1996, **The Phish Book** explores the band's earliest days in Burlington, Vermont; their musical influences, which include James Brown, Frank Zappa, and the Grateful Dead; their legendary Halloween shows; the two European and two American tours the group undertook in 1997; the stories behind their 1996 studio album *Billy Breathes* and the following year's live *Slip Stitch and Pass*; life onstage and off; the sixty-thousand-fan Maine campout and art project known as the Great Went; and the experimental recording and performing techniques that informed the band's most recent studio album, *The Story of the Ghost*.

More than a journal of the group's evolution over the course of a single year, **The Phish Book** is a glorious snapshot of a band much bigger than its parts and at the height of its collective power.

From reader reviews:

Lillian Chatman:

Do you among people who can't read satisfying if the sentence chained from the straightway, hold on guys this kind of aren't like that. This The Phish Book book is readable through you who hate those straight word style. You will find the information here are arrange for enjoyable looking at experience without leaving possibly decrease the knowledge that want to provide to you. The writer involving The Phish Book content conveys prospect easily to understand by lots of people. The printed and e-book are not different in the written content but it just different available as it. So , do you nonetheless thinking The Phish Book is not loveable to be your top collection reading book?

Ryan Connors:

The guide untitled The Phish Book is the publication that recommended to you to see. You can see the quality of the reserve content that will be shown to you. The language that publisher use to explained their ideas are easily to understand. The article writer was did a lot of investigation when write the book, to ensure the information that they share to your account is absolutely accurate. You also could possibly get the e-book of The Phish Book from the publisher to make you more enjoy free time.

Theodore Dubose:

Precisely why? Because this The Phish Book is an unordinary book that the inside of the guide waiting for you to snap it but latter it will jolt you with the secret this inside. Reading this book next to it was fantastic author who write the book in such incredible way makes the content interior easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of benefits than the other book have got such as help improving your skill and your critical thinking approach. So , still want to hesitate having that book? If I have been you I will go to the publication store hurriedly.

Barbra Walker:

Playing with family in the park, coming to see the water world or hanging out with good friends is thing that usually you will have done when you have spare time, after that why you don't try point that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love The Phish Book, you could enjoy both. It is very good combination right, you still would like to miss it? What kind of hang-out type is it? Oh occur its mind hangout folks. What? Still don't get it, oh come on its identified as reading friends.
