Nick Cross always listens to the voice in his head. Because if he doesn't? Things can go really, really wrong. Like the day he decided to go off script and saved a girl from being run over . . . and let another one drown. Trying to change the future doesn't work.

But this summer at the Jersey Shore, something's about to happen that Nick never could have predicted. He meets a girl named Taryn and finds out about the Book of Touch. Now the path that he thought he was on begins to shift . . . and there's no way to stop things from happening. Or is there?

In a life where there are no surprises, nothing has prepared Nick for what he's about to discover--or the choice he will be forced to make. . . .
