When Bianca and Jakob awake on a sandy shore in the middle of nowhere, their first thoughts are of survival. But as they explore their surroundings and try to discover who stranded them on the island, they can't deny the electricity surging between them. Soon it's more than just a campfire keeping them warm...

But just as Bianca is starting to trust Jakob, she uncovers a clue to their abduction—and he may know more than he's letting on. Was Jakob just as surprised as she to find himself alone with her...or could the man she's fallen for be her captor?
