Now Mayla is being forced to leave her papa and younger sister, Zilka, with the kumpania. Heading to Switzerland with her mother, to the safety of her Grandmother's chalet in Switzerland, Mayla fears she'll never see any of them again. Her grandmother is connected to every high official in the SS. But not everything isn't as it appears. Because of her drive to be a doctor, Mayla finds herself invited to Dachau and Auschwitz. She quickly finds herself in the company of Doctor Josef Mengele and Doctor Sigmund Rascher, who are only too willing to share the results of their medical experiments on Jews and Gypsies. At great personal risk, Mayla refuses to turn down the opportunity to take notes and bear witness to the atrocities happening at the concentration camps. Mayla is drawn to Auschwitz where the distinctions between good and evil become blurred in a world turned upside down. Will it get her killed or will her unwavering resolve give her the strength and courage to rescue her sisters from the gas chambers?
