## **Please Talk to Me: Selected Stories (The Margellos World Republic of Letters)** Liliana Heker

Acclaimed for the gemlike perfection of her short stories, Liliana Heker has repeatedly received major literary awards in her native Argentina. Her work has some of the dark humor of Saki or Roald Dahl, and her versatility and range have earned her a wide, appreciative audience. This expertly translated volume brings to English-language readers the full compass of Heker's stories, from her earliest published volume (1966) through her most recent (2011).

Heker rejected exile during the dangerous Dirty War years and formed part of a cultural resistance that stood against repression. As a writer, she found in the microcosm of the family and everyday events subtle entry into political, historical, and social issues. Heker's stories examine the rituals people invent to relate to one another, especially girls and women, and they reveal how the consequences of tiny acts may be enormous. With charm, economy, and a close focus on the intimate, Heker has perfected the art of the glimpse.
