**UNDER THE CLOSE WATCH OF HER ALL-TOO-HANDSOME AGENT PROTECTOR, ONE WOMAN NEVER FELT SO EXPOSED...**

After escaping an obsessive serial killer, Dr. Cara Messinger hoped to forget her days in captivity. But life would never go back to normal. Dash Adams and his proposition saw to that. The hands-on FBI agent could protect the half-Navajo beauty—but only if she gave up all control.

Whisked away to a safe house on a remote sandstone mesa, Cara felt her world closing in. It was only a matter of time before the killer came back for her. But Cara was more than an innocent victim. She was tired of running, and Dash was a man of action who showed little restraint. And with their business becoming more than personal, could he protect her against a killer who knew no boundaries?
