It's been the most popular fantasy for women for as long as the fantasies have been recorded. That's no surprise. Just the thought of being able to explore another woman's body, to have those first tentative touches and tastes - well, it just drives us wild with desire. In this collection of five explicit first lesbian sex stories, you'll be able to see just how five different women experience this, the queen of all sexual fantasies.

Warning: This audiobook contains very explicit sexual descriptions. This includes first lesbian sex, lesbian seduction, rough sex, sex toys, and more. Therefore, only mature adults who won't be offended by these types of sexual situations, should listen to this collection.
