The Good News According to Luke: Spiritual Reflections Richard Rohr

Richard Rohr shares his understanding of Luke's message for today's reader. Grounded in scholarship but accessible to a general audience, this commentary sheds light on the main themes of Luke's Gospel. He works through each theme in a twofold way. He first addresses individual concerns, duties, and possibilities, and then connects them to the larger picture of cultural and ecclesial values. Fr. Rohr has a fascinating perspective, enhanced by his travels to Africa and Latin America, that can nourish and inspire both individual readers and the church at large.
