Amelia Earhart

Doris L. Rich

Amelia Earhart Doris L. Rich

She died mysteriously before she was forty. Yet in the last decade of her life Amelia Earhart soared from obscurity to fame as the best-known female aviator in the world. She set record after record—among them, the first trans-Atlantic solo flight by a woman, a flight that launched Earhart on a double career as a fighter for women's rights and a tireless crusader for commercial air travel. Doris L. Rich's exhaustively researched biography downplays the “What Happened to Amelia Earhart?” myth by disclosing who Amelia Earhart really was: a woman of three centuries, born in the nineteenth, pioneering in the twentieth, and advocating ideals and dreams relevant to the twenty-first.
