Between the Desert and the Deep Blue Sea: A Syrian Journey Gill Suttle

To those for whom the name of Syria conjures up images of George W. Bush's "Axis of Evil", or who picture the Middle East in general to be a place of endemic unrest or squabbling religious factions, this book will come as a revelation. Here they will discover a nation where all clans and creeds live in enviable harmony, their goodwill towards each other exceeded only by the warmth of their welcome to an eccentric foreigner. The author enjoyed a relaxed, spontaneous ramble, living out of home-made saddlebags, enjoying the hospitality of local people and often sleeping rough. Best of all, her companion was that of her wildest childhood fantasies: an Arab stallion. While briefly informed by history, Islam and its offshoots, geography and - where absolutely unavoidable - politics, this delightful book is principally an account of the people of Syria - and of a gallant and memorable horse. Illustrated with maps and a fine selection of photographs.
