## **Out of Egypt: Messianic Passover Haggdah** Pinchas ben Chaim

This Messianic Passover Haggadah is interactive and explanatory. It follows the traditional steps of the Seder, but allows one to abbreviate and expand sections without losing the overall dynamic. It is traditional in many ways, preserving the ancient heritage. Yet overall it is quite contemporary, offering alternative ways to focus on the Message of Passover. It is full of Messianic allusions and explanations related to Yeshua's sacrifice, keeping him very much at the center of what God has done for his people.
