## **Vado a vivere in Australia - Guida pratica (Italian Edition)** Gianluca Ricci

L'Australia è il nuovo Eldorado per quanti, sfiduciati e scontenti, pensano ci sia ancora un posto al mondo dove potersi mettere in gioco. In effetti è così: la crisi che da qualche anno imperversa a livello globale non ha fatto laggiù né vittime né danni, i tassi di disoccupazione si mantengono al di sotto del livello di guardia, la qualità della vita è una delle più elevate del pianeta.

Ma trasferirsi all'altro capo del mondo non è così facile: gli australiani hanno elaborato finissime strategie per proteggere il loro benessere e l'ingresso nel Paese per chi vuole eleggerlo a sua prima casa non è immediato né automatico. Questa guida vuole preparare quanti hanno intenzione di fare il grande salto ad affrontare serenamente le procedure necessarie al trasferimento, dalla giungla burocratica rappresentata dai visti alle modalità da seguire per trovare un'occupazione, dall'organizzazione spicciola della vita di tutti i giorni alle indicazioni per diventare un vero aussie.

Gianluca Ricci, giornalista pubblicista trentino, si è specializzato nel campo dei viaggi. Autore di due guide turistiche stampate per i tipi di Airplane e coautore di numerose altre pubblicazioni di genere, ha collaborato per anni e tuttora collabora con diverse testate giornalistiche di settore. Per la collana e-book del sito [voglio vivere così.com](http://voglio vivere così.com) ha realizzato la guida per l'Australia dal titolo Vado a Vivere in Australia. Quando non lavora, è in viaggio.
