## **A BODY OF DIVINITY: The Sum and Substance of Christian Religion** James Ussher

"Archbishop James Ussher (1581-1656) was a leader par excellence among the Irish Puritans. His colorful history is inseparable from that of Irish Christianity and from major events transpiring simultaneously in England and Scotland. Ussher's range of achievements are outstanding, including ancient languages, patristics, ancient and Irish history, theology, and chronology. Though he is best known for his biblical chronology, I believe that his Body of Divinity is his most valuable legacy. This volume, long overdue to be reprinted, was once regarded as a classic in the field of Reformed systematic theology and deserves to be so regarded again. Here is pristine Irish Puritan theology, presented to us in a captivating question and answer format." --Joel R. Beeke, Puritan Reformed Theological Seminary, Grand Rapids, Michigan
