Magical World of the Tarot

Gareth Knight

Magical World of the Tarot Gareth Knight

Using the Grimaud Tarot deck of Marseilles - the direct descendants of the earliest hand-printed designs and the basis for most of the later esoteric decks - Knight provides an in-depth introduction to the tarot deck. He presents nine lessons that combine basic instruction in the mechanics of divination with magical visualization techniques. Perhaps most useful for students of the tarot are Knight's answers to questions raised by former students of his acclaimed Tarot Course. Illustrated. Index.
