Learning Spanish becomes a whole lot less painful when students have this guide in hand. They'll start speaking and understanding Spanish as they complete fun-to-answer questions; develop "word power" as they learn more about the people and culture of Spain and Latin America; test their progress with fun quizzes and games; and more. Titles in Barron's extensive *Painless Series* cover a wide range of subjects taught at middle school and high school levels. Perfect for supporting state standards, these books are written for students who find the subjects somewhat confusing, or just need a little extra help. The authors' main goal is to clear up confusion and pique interest by emphasizing the intriguing and often exciting ways in which students can put each subject to practical use. Most of these books take a lighthearted, humorous approach to their subjects, and offer fun exercises including puzzles, games, and challenging "Brain Tickler" problems to solve. Bonus Online Component: includes additional games to challenge students, including Beat the Clock, a line match game, and a word scramble.
