Secret Keeper Mitali Perkins

When her father loses his job and leaves India to look for work in America, Asha Gupta, her older sister, Reet, and their mother must wait with Baba's brother and his family, as well as their grandmother, in Calcutta. Uncle is welcoming, but in a country steeped in tradition, the three women must abide by his decisions. Asha knows this is temporary—just until Baba sends for them. But with scant savings and time passing, the tension builds: Ma, prone to spells of sadness, finds it hard to submit to her mother- and sister-in-law; Reet's beauty attracts unwanted marriage proposals; and Asha's promise to take care of Ma and Reet leads to impulsive behavior. What follows is a firestorm of rebuke—and secrets revealed! Asha's only solace is her rooftop hideaway, where she pours her heart out in her diary, and where she begins a clandestine friendship with Jay Sen, the boy next door. Asha can hardly believe that she, and not Reet, is the object of Jay's attention. Then news arrives about Baba . . . and Asha must make a choice that will change their lives forever.

From the Hardcover edition.

From reader reviews:

Peter Barba:

The book Secret Keeper can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the great thing like a book Secret Keeper? Some of you have a different opinion about publication. But one aim in which book can give many data for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or details that you take for that, you are able to give for each other; you could share all of these. Book Secret Keeper has simple shape but the truth is know: it has great and big function for you. You can appear the enormous world by start and read a e-book. So it is very wonderful.

Deborah Hagan:

Here thing why that Secret Keeper are different and trusted to be yours. First of all reading through a book is good however it depends in the content from it which is the content is as delicious as food or not. Secret Keeper giving you information deeper and in different ways, you can find any publication out there but there is no guide that similar with Secret Keeper. It gives you thrill reading journey, its open up your personal eyes about the thing which happened in the world which is probably can be happened around you. It is easy to bring everywhere like in area, café, or even in your means home by train. Should you be having difficulties in bringing the branded book maybe the form of Secret Keeper in e-book can be your alternative.

Alma Medina:

Beside this particular Secret Keeper in your phone, it could give you a way to get closer to the new knowledge or data. The information and the knowledge you will got here is fresh in the oven so don't possibly be worry if you feel like an aged people live in narrow community. It is good thing to have Secret Keeper because this book offers for you readable information. Do you often have book but you don't get what it's all about. Oh come on, that wil happen if you have this inside your hand. The Enjoyable set up here cannot be questionable, such as treasuring beautiful island. Use you still want to miss that? Find this book in addition to read it from at this point!

Alice Billups:

Is it an individual who having spare time in that case spend it whole day simply by watching television programs or just laying on the bed? Do you need something totally new? This Secret Keeper can be the response, oh how comes? The new book you know. You are consequently out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what these books have than the others?
