Whether you're a hardcore left-winger or are still feeling the sting from the Bush Administration, *1,001 Ways the Republican Party is Screwing the Middle Class* is a no-holds-barred book that lays down the truths as to why the majority is being shafted by the minority in this country. Every day it becomes harder for someone in the middle class to live comfortably. With raised taxes, a hurt economy, and jobs getting harder and harder to find, our government should be taking it easy on us. But with the pathetic tax cuts for the rich, it's obvious that the Republicans only care for themselves. They're consistently ignoring the hard-working people of this country that keep it running and only care to help the "power elite." *1,001 Ways the Republican Party is Screwing the Middle Class* is required reading for everyone who struggles to break even while these millionaires count their cash.
