The Frozen Dead Guy was once just a regular Norwegian named Bredo Morstoel. When he died in 1983, his family cryogenically preserved his body and placed it in a permanent holding facility in Nederland, Colorado, to wait until technology might allow it to be defrosted and resurrected. His caretaker is Bo "Iceman" Shaffer, who has transported ice to the facility and represented the Frozen Dead Guy for seventeen years and counting. Here he chronicles one of Colorado's strangest and most colorful attractions, one that draws travelers from around the globe to tour the site, attend the annual Frozen Dead Guy Days festival and have a drink.
