## **Fama Fraternitatis (engl): Manifesto of the Most Praiseworthy Order of the Rosy Cross, addressed to all the rulers, estates and learned of Europe** Dr. Christopher McIntosh

The seminal document known as the Fama Fraternitatis (the Proclamation of the Fraternity) burst like a firework over Europe in the early 17th century, igniting the imagination of many with its story of the German seeker Christian Rosenkreuz, his journey through the Middle East in search of wisdom, and his creation of the esoteric Rosicrucian Fraternity. The first of three so-called Rosicrucian Manifestos, it has hitherto received no adequate English translation. Now, to mark the 400th anniversary of the original German publication in 1614, Christopher McIntosh and Donate Pahnke McIntosh have produced an English rendering, based on careful study of printed and manuscript versions. This edition is an essential resource for all who are drawn to Rosicrucianism, whether as a field of study or a spiritual path.
