Poppy's Angel

Rachel Billington

Poppy's Angel Rachel Billington

Poppy's dad is still in prison. Her mum has rushed back to Poland to look after her seriously ill mother, and Poppy is sent to stay with her friend Jude. But Poppy feels stifled. At times like this she needs Angel, the joker among her friends - dodgy, wild, can't read or write much, yet bursting with energy and one of life's natural wits. But Angel, like Poppy, feels a bit orphaned, and has joined a gang. At half-term Poppy goes to stay with her friend Will in the country, and they write their second children's book. Poppy comes back to discover a note from Angel: At yor place. Need help. She finds him lying under the kitchen table, bleeding from an arm wound. Has he been stabbed? Why hasn't he rung 999? Who else is involved? And will her dad, now in an open prison, find out about her oddball friend? Rachel Billington's dramatic follow-up to Poppy's Hero features two opposing kinds of London kids, with Poppy straddling the gulf between them as she and her friends are drawn into a strange, unimaginable world.
