Six Sundays toward a Seventh: Spiritual Poems by Sydney Lea (Poiema Poetry) Sydney Lea

These poems-selected from the award-winning poet's output over four decades-more explicitly than any of his prior volumes address the centrality of Christian vision to his aims and aspirations. Lea looks unflinchingly at all that may challenge his faith: the cruelties of both natural and human worlds, the attractions of jolly, good-hearted secularism, the distortions of doctrinaire religiosity, the seeming pointlessness of untimely deaths; but his faith in Christian redemption shines through even the bleakest of his poems.
