The Future is Now: Anthroposophy at the New Millennium

The Future is Now: Anthroposophy at the New Millennium

Rudolf Steiner spoke at various times of a period that encompasses the end of the twentieth century and the beginning of the new millennium. He described it as a time of great spiritual struggle in which forces of destruction would wage war on benevolent forces, and how the future of culture and civilization would depend on the outcome. In his many statements on this matter, Steiner warned, in particular, members of the Anthroposophical Society and movement - that they would be called on to develop vital spiritual capacities that are becoming increasingly critical for human progress.

In these eighteen essays, contributors offer their thoughts on the question of where anthroposophy in its earthly manifestation now stands and to what extent it is fulfilling its tasks. This commentary on the challenges ahead offers us all a chance to reassess, prepare, and wake up.

This compilation features eighteen essays by Jesaiah ben-Aharon, Mario Betti, Terry Boardman, Peter Bridgmont, Gilbert Childs, Doré Deverell, Michaela Glöckler, Sevak Gulbekian, Brien Masters, Thomas Meyer, Bernard Nesfield-Cookson, Sergei O. Prokofieff, Richard Seddon, Nick Thomas, Peter Tradowsky, Hans-peter van Manen, Edward Warren, and Olive Whicher.
