The occult is a very real influence for today's youth—and the world is only too eager to exploit their curiosity about the supernatural. Tyndale and Bill Myers, cocreator of McGee and Me!, counteract the deceptions presented by immensely popular titles with an innovative approach to juvenile fiction—the Forbidden Doors series. Insightful and straightforward, each volume tackles spiritual warfare by presenting biblical truths through realistic situations and characters.

#5 The Guardian—Julie has a near-death experience, during which she encounters a guardian angel. But is this "angel" what it seems to be? Or is it something terrible in disguise? In the ultimate test of Julie's emerging faith, she must learn to trust God and heed his guidance in discerning spirits.
