Addressing Cultural Complexities in Practice, Second Edition: Assessment, Diagnosis, and Therapy

Pamela A. Hays

This engaging book helps readers move beyond one-dimensional conceptualizations of identity to an understanding of the complex, overlapping cultural influences that form each of us. Pamela Hays' "ADDRESSING" framework enables therapists to better recognize and understand cultural influences as a multidimensional combination of **A**ge, **D**evelopmental and acquired **D**isabilities, **R**eligion, **E**thnicity, **S**ocioeconomic status, **S**exual orientation, **I**ndigenous heritage, **N**ational origin, and **G**ender. Unlike other books on therapy with diverse clients, which tend to focus on working with one particular ethnic group, *Addressing Cultural Complexities in Practice* presents a framework that can be used with a person of any cultural identity.

This second edition has been updated throughout and has new sections on cross-cultural assessment of trauma, on psychotherapy with people living in poverty, and on ethical boundaries and complex relationships in rural and minority communities. A special section describes how to integrate cultural considerations into the evidence-based practice of cognitive-behavioral therapy. Organized according to the flow of clinical work (in contrast to the one chapter-per-group approach), the book's contents are summarized in handy Key Tables at the end of each chapter for ease of use in education and supervision.

This stimulating book will be an important resource for counselors, clinicians, and mental health professionals working with clients from a variety of backgrounds.

From reader reviews:

Wayne Millican:

What do you regarding book? It is not important along with you? Or just adding material when you really need something to explain what yours problem? How about your spare time? Or are you busy individual? If you don't have spare time to do others business, it is make one feel bored faster. And you have extra time? What did you do? All people has many questions above. They should answer that question due to the fact just their can do this. It said that about guide. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this specific Addressing Cultural Complexities in Practice, Second Edition: Assessment, Diagnosis, and Therapy to read.

Janette Collins:

The reason why? Because this Addressing Cultural Complexities in Practice, Second Edition: Assessment, Diagnosis, and Therapy is an unordinary book that the inside of the book waiting for you to snap that but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who also write the book in such incredible way makes the content inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of gains than the other book have such as help improving your skill and your critical thinking way. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

Marianne Haglund:

Your reading sixth sense will not betray you, why because this Addressing Cultural Complexities in Practice, Second Edition: Assessment, Diagnosis, and Therapy book written by well-known writer who really knows well how to make book that can be understand by anyone who also read the book. Written with good manner for you, still dripping wet every ideas and composing skill only for eliminate your current hunger then you still uncertainty Addressing Cultural Complexities in Practice, Second Edition: Assessment, Diagnosis, and Therapy as good book not just by the cover but also from the content. This is one book that can break don't ascertain book by its deal with, so do you still needing yet another sixth sense to pick this!? Oh come on your studying sixth sense already told you so why you have to listening to another sixth sense.

Mark Spears:
