“Everything that exists is an outcome of interaction between two forces—giving and receiving. When they work in harmony, life flows peacefully in its course. When they collide, we must deal with calamities and crises of great magnitude,” says Prof. Michael Laitman. These forces are at work in every aspect of life: family, economy, politics, ecology, and health. *Bail Yourself Out: How You Can Emerge Strong from the World Crisis* is a guide to mastering these forces on the personal, national, and global levels. With this knowledge, we hold the key to success by harnessing them to our benefit.
