Puja Book: The Triratna Book of Devotional Texts Sangharakshita

The chanting of devotional mantras and verses has been performed by Buddhists worldwide for centuries to encourage the arising of the Bodhicitta within: the desire to seek Enlightenment for the sake of all living beings. This beautifully illustrated edition collects a number of Buddhist devotional rituals and verses. English translations of the verses in traditional Buddhist languages, Pali and Sanskrit, allow the reader to focus more clearly on the particular aspect of their practice, while chanting in one of the two ancient languages provides a worldwide link between Buddhists.
