Man in the Shadows: Inside the Middle East Crisis with a Man Who Led the Mossad Efraim Halevy

Israel's Mossad is one of the world's most powerful intelligence agencies. Having served as its director, Efraim Halevy has witnessed the Middle East crisis from the inside-out. As the secret envoy to prime ministers ranging from Yitzhak Rabin to Ariel Sharon, Halevy was privy to many of the top-level negotiations that changed the landscape of the region—and, in turn, the rest of the modern world. In *Man in the Shadows*, he provides a fascinating, deeply informed look at the secret workings and global repercussions of Mossad's fight against Islamic terror, and writes with passion and authority about such topics as:

- **September 11, 2001: What the Mossad knew before and after the attacks; his critique of the 9/11 report; and his assertion that we haven't seen the worst of radical Islam**
- **His candid thoughts about the Bush Administration; George Tenet and his dismissal; the assassination attempt of Hamas leader Khaled Mashal; and other key players in the war on terror**
- **Iraq: From Operation Desert Storm to the WMD crisis to the war of the present day, Halevy offers a modern history of the region, as well as an action-plan for the future**

...and more. By turns a powerful history lesson and a roadmap to world peace, *Man in the Shadows* is a must-read for the twenty-first century.
