## **Prince: Singer-Songwriter, Musician, and Record Producer (Transcending Race in America: Biographies of Biracial Achievers) David Robson**

In a music industry where one-hit wonders come and go, Prince, son of a black father and a white mother, is a long-running exception. With his monster guitar work, suggestive songs, and a fashion sense that is all his own, this biracial achiever has spent over thirty years as a pop culture icon. His albums *Purple Rain*, *Sign "O" the Times*, and *Musicology* set new standards for pop music showmanship. His work in filmmaking and multimedia proved him to be one of the more progressive artists in the business, all the while earning him millions of dollars and legions of avid fans. Yet Prince's prodigious talents have sometimes fallen victim to his excesses and obsessions. Explicit lyrics and squabbles with record executives are but two of the more controversial chapters in a long and rich career. Through it all, Prince has forged an extraordinary musical legacy and brought fans of all races together to enjoy his unique combination of rock, funk, and R&B. This new biography offers an in-depth look at a living legend and explores his genius through interviews as well as his timeless music.
