She Calls Me Daddy: 7 Things You Need to Know About Building a Complete Daughter Robert Wolgemuth

Babies come in two kinds, boys and girls. But many dads get a bit more nervous when told they are going home with a cute little bundle of joy . . . covered in pink! Robert Wolgemuth puts anxieties to rest, encouraging new fathers of the wonderful times waiting ahead, while providing practical guidance and encouragement for every father who is walking the journey of growing a confident, God-honoring woman who (still) calls him daddy.

This book, which has sold over 300,000 copies, has now been updated by the author (over 40% of the book is new material) and includes a foreword by Greg and Gary Smalley. Building on seven critical foundational elements (protect your daughter, teach the art of conversation, express affection, discipline appropriately, create laughter, instill faith in God, and demonstrate proper conduct) Wolgemuth suggests ways to actually get to know your “little” girl and foster a deep and ongoing connection at every age.
