Staff Wallah: At the Fall of Singapore John Wyett

The story of a senior officer of the General Staff of Australian High Command, from Tasmania at the outbreak of war through graduation from the Indian Army Command and Staff College at Quetta, to service in Malaysia and imprisonment at Changi, this book is an account of a personal struggle of one individual in wartime. As a Staff Officer with 8th Division, John Wyett was at the centre of events leading to the fall of Singapore. His comments on events and people, such as General Gordon Bennett, break a silence of 50 years to present a historical record. His account of his years as a prisoner of the Imperial Japanese Army, which include being sentenced to death by the Kempetai, are a reminder of a struggle against the odds.
