Galaxy Angel II: Volume 1

Galaxy Angel II: Volume 1

Several years have passed since Milfeulle Sakuraba and the other lovely ladies of the Angel Troupe finally defeated Eonia's forces in EDEN. A new galaxy called NEUE is found, and though the troupe has officially disbanded, each of the former members works for the expansion into NEUE. Milfeulle is now the lone gatekeeper of the intergalactic "gate" that connects EDEN and NEUE. It's rumored that other gates and gatekeepers exist, and a new troupe has formed to hunt them down. Led by Kazuya Shiranami, the first male Angel, and Milfeulle's younger sister Apricot, the Rune Angel Troupe prepares for the mission to connect the two dimensions. Each member is invested with unique powers, from sorcery to superhuman strength, but is the former pastry chef Kazuya too much of a pushover? Are the Rune Angels too young and inexperienced — or will the original Angels have to bail them out?
