Rhythm Is My Beat: Jazz Guitar Great Freddie Green and the Count Basie Sound (Studies in Jazz)

Alfred Green

In *Rhythm Is My Beat: Jazz Guitar Great Freddie Green and the Count Basie Sound*, Alfred Green tells the story of his father, rhythm guitarist Freddie Green, whose guitar work served as the pulse of the Count Basie Band. A quiet but key figure in big band jazz, Freddie Green took a distinct pride in his role as Basie's rhythm guitarist, redefining the outer limits of acoustic rhythm guitar and morphing it into an art form. So distinct was Green's style that it would eventually give birth to notations on guitar charts that read: "Play in the style of Freddie Green."

This American jazz icon, much like his inimitable sound, achieved stardom as a sideman, both in and out of Basie's band. Green's signature sound provided lift to soloists like Lester Young and vocalist Lil' Jimmy Rushing, a reflection of Green's sophisticated technique, that produced, in Green's words, his "rhythm wave." Billie Holiday, Ruby Braff, Benny Goodman, Gerry Mulligan, Teddy Wilson, Ray Charles, Judy Carmichael, Joe Williams and other recording artists all benefited from the relentless fours of the man who came to be known as Mr. Rhythm. The mystique surrounding Freddie Green's technique is illuminated through generous commentary by insightful interviews with other musicians, guitar professionals and scholars, all of whom offer their ideas on Freddie Green's sound. Alfred Green throughout demystifies the man behind the legend.

This work will interest jazz fans, students, and scholars; guitar enthusiasts and professionals; music historians and anyone interested not only in the history of jazz but of the African American experience in jazz.
