## **What Doesn't Kill Her** Max Allan Collins

Jordan Rivera was an ordinary kid with an ordinary family. Until a vicious killer took it all away from her, sparing her and leaving her broken. The murders destroyed something inside her and she spent ten long, silent years in an institution. Catching a glimpse of a news report about another ordinary family slain, Jordan breaks her silence. Now she's out, and she molds herself—body and mind—into an instrument of justice.

While a young detective pursues the case on his own, Jordan teams up with members of her Victims Support Group, people, like her, damaged by violent crime. They have their own stories of pain, heartache, and vengeance denied. With their help, Jordan will track down the killer before he can ravage any more lives. Her own life depends on it.
