## **Building Powerful and Robust Websites with Drupal 6** David Mercer

Written in the same style as the original Drupal title, this book is a pragmatic look at the steps necessary to get a website up and running. Drawing on years of writing experience, David Mercer utilizes a friendly, engaging style that is both clear and concise – perfect for the Drupal newbie. This book is for people with little or no experience in website design, people who are not familiar with PHP, MySQL or HTML, and above all people with little to no experience in using Drupal. Even intermediate Drupal users will find this book of interest although it is specifically aimed at pushing beginners up the learning curve.
