The Promise of Reason: Studies in The New Rhetoric

The Promise of Reason: Studies in The New Rhetoric

No single work is more responsible for the heightened interest in argumentation and informal reasoning—and their relation to ethics and jurisprudence in the late twentieth century—than Chaïm Perelman and Lucie Olbrechts-Tyteca's monumental study of argumentation, *La Nouvelle Rhétorique: Traité de l'Argumentation*. Published in 1958 and translated into English as *The New Rhetoric* in 1969, this influential volume returned the study of reason to classical concepts of rhetoric. In *The Promise of Reason: Studies in The New Rhetoric*, leading scholars of rhetoric Barbara Warnick, Jeanne Fahnestock, Alan G. Gross, Ray D. Dearin, and James Crosswhite are joined by prominent and emerging European and American scholars from different disciplines to demonstrate the broad scope and continued relevance of *The New Rhetoric* more than fifty years after its initial publication.

Divided into four sections—Conceptual Understandings of The New Rhetoric, Extensions of *The New Rhetoric*, The Ethical Turn in Perelman and *The New Rhetoric*, and Uses of *The New Rhetoric*—this insightful volume covers a wide variety of topics. It includes general assessments of *The New Rhetoric* and its central concepts, as well as applications of those concepts to innovative areas in which argumentation is being studied, such as scientific reasoning, visual media, and literary texts. Additional essays compare Perelman's ideas with those of other significant thinkers like Kenneth Burke and Richard McKeon, explore his career as a philosopher and activist, and shed new light on Perelman and Olbrechts-Tyteca's collaboration. Two contributions present new scholarship based on recent access to letters, interviews, and archival materials housed in the Université Libre de Bruxelles. Among the volume's unique gifts is a personal memoir from Perelman's daughter, Noémi Perelman Mattis, published here for the first time.

The Promise of Reason, expertly compiled and edited by John T. Gage, is the first to investigate the pedagogical implications of Perelman and Olbrechts-Tyteca's groundbreaking work and will lead the way to the next generation of argumentation studies.

You can spend your spend time to read your book. Try to make relationship using the book The Promise of Reason: Studies in The New Rhetoric. You never sense lose out for everything if you read some books.

William Hayes:

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Promise of Reason: Studies in The New Rhetoric can make you truly feel more interested to read.
