Day of Atonement David DeSilva

In the blank pages between Malachi and Matthew, the course of an entire nation was changed...

His brother, the high priest Honiah, enjoyed the authority of the high priesthood, and all important decisions needed his approval. But it was Jason who was shaping the future of Jerusalem and, with it, all Judea. He breathed in again, imagining that he could feel the wave of destiny impelling him forward toward his vision as he exhaled...

The Greeks have taken over the world, but Jerusalem is still the same backwater city Jason has always known. He wants to help his hometown rise to a new age of prosperity and influence. If that means stretching the terms of the city's divine covenant, so be it. But how far is he willing to go to achieve Greek greatness for this Jewish city? It will take the willingness of a handful of Jews to die rather than violate the covenant in order to turn the tide back to God.

Written by an internationally recognized expert in the period between the Testaments, *Day of atonement* invites readers into Judea during the tumultuous years leading up to the Maccabean Revolt. It was this pivotal decade that reminded Jews of the centrality of the covenant to their national security and taught them that the covenant was worth dying for. The story is so foundational, it is still told every year at Hanukkah. The lessons learned during this turbulent time also shed light on just what was at stake in the ministry of Jesus, whose radical message seemed to threaten the covenant once again.

Day of Atonement joins the perennially successful novels *Pontius Pilate* and *The Flames of Rome* by renowned historian Paul Maier on Kregel's premier list of captivating and historically accurate biblical novels.

What do you consider book? It is just for students since they are still students or the item for all people in the world, the particular best subject for that? Simply you can be answered for that issue above. Every person has several personality and hobby for each and every other. Don't to be pushed someone or something that they don't would like do that. You must know how great along with important the book Day of Atonement. All type of book is it possible to see on many resources. You can look for the internet solutions or other social media.

Robert Dunham:

Book is to be different per grade. Book for children until eventually adult are different content. To be sure that book is very important for people. The book Day of Atonement was making you to know about other know-how and of course you can take more information. It is rather advantages for you. The reserve Day of Atonement is not only giving you considerably more new information but also to get your friend when you really feel bored. You can spend your personal spend time to read your e-book. Try to make relationship together with the book Day of Atonement. You never sense lose out for everything in case you read some books.

Dolores Schreiber:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some reserve, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the professor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Day of Atonement can make you feel more interested to read.
