Trimwork says a lot about your house. Decorative moldings and interior trim help to define your space and bring out its character. This practical book teaches you how to use pre-formed trimwork to add detail and style to your home.

Discover how to create a beautiful focal point in any room, and make the most of it. Learn to quickly and easily install wainscoting, board & batten, organization stations, fireplace mantels, and much more. You can easily transform your home in just a weekend, using only basic tools, time-tested methods, and prefabricated materials from your local home improvement store.

Step-by-step illustrations allow you to see what to do, not just read about it. Get expert tips and advice for selecting and installing stock trimwork, working with finish carpentry tools, and making essential basic cuts. Color photographs provide inspiring real-world examples of rooms that were decorated and transformed by actual homeowners.
