Ecosocialism: A Radical Alternative to Capitalist Catastrophe

Michael Löwy

Ecosocialism: A Radical Alternative to Capitalist Catastrophe Michael Löwy

Capitalism is killing the planet, and the preservation of a natural environment favorable to human life requires a radical alternative. In this new collection of essays, long time revolutionary and environmental activist Michael Löwy offers a vision of ecosocialist transformation. This vision combines an understanding of the destructive logic of the capitalist system with an appreciation for ongoing struggles, particularly in Latin America.
