The Angelspeake Book Of Prayer And Healing Trudy Griswold, Barbara Mark

Two years ago, Barbara Mark and Trudy Griswold published a remarkable book that showed us how we could reach out to our angels for guidance, comfort, and love. Drawing on the unique angel communication techniques that these two sisters have been teaching in workshops across the nation, *Angelspeak* has sold more than 45,000 copies to date, and another 15,000 in its Spanish-language edition.

Now the authors take us to the next step: calling upon God's messengers for help in solving personal problems and healing. Focusing on the specific steps we can take to solicit angelic intervention in times of crisis, they offer wisdom and practical advice on such topics as getting clarity on what we want in our lives, how to be trusting no matter what happens, and the power of divine healing. Interspersed throughout are the stories of people who have used the Angelspeake process and have had their dreams fulfilled.

A partnership with the divine is there for the asking—that is the uplifting message of this handsomely designed and illustrated book.
