Alerta vermelho! Todos aos seus postos! A nave Space Opera está pronta para a batalha final.

Poderosas naves atravessam o hiperespaço e desbravam fronteiras galácticas. Seres exóticos, robôs, pós-humanos e suas aventuras e peripécias.

Frágeis e indefesas princesas planetárias em apuros e as destemidas e habilidosas heroínas que não fogem à luta. Inteligências artificiais fora do controle e heróis do espaço em sua batalha constante contra as forças do mal que ameaçam a paz galáctica. A luta pela sobrevivência da humanidade e os insondáveis mistérios do universo.

Assim é a “space opera”, o mais famoso subgênero da ficção científica, celebrado no cinema, TV e literatura. Após o sucesso da primeira antologia brasileira de ficção científica espacial, publicada pela Editora Draco em 2011, e de seu segundo volume em 2012, a trilogia se encerra com o último episódio deste projeto, capitaneado pelos organizadores Hugo Vera e Larissa Caruso.

Com prefácio de Flávio Medeiros Jr, vencedor do prêmio Argos de melhor conto de Ficção Científica em 2012, este último volume traz contos e noveletas da intrépida tripulação de autores brasileiros e portugueses: Roberta Spindler, Luis Filipe Silva, Antonio Luiz M. C. Costa, Júlia Durand e Rui Leite, Sid Castro, Carol Chiovatto, Pedro Vieira, Hugo Vera e Cirilo S. Lemos.

Descubra por que a Space Opera se tornou sinônimo de ficção científica no mundo todo.

The book Space Opera: Aventuras fabulosas por universos extraordinários (Portuguese Edition) has been making you to know about other information and of course you can take more information. It is extremely advantages for you. The e-book Space Opera: Aventuras fabulosas por universos extraordinários (Portuguese Edition) is not only giving you far more new information but also being your friend when you feel bored. You can spend your own personal spend time to read your publication. Try to make relationship using the book Space Opera: Aventuras fabulosas por universos extraordinários (Portuguese Edition). You never experience lose out for everything in case you read some books.

Jacqueline Britt:

As people who live in the particular modest era should be revise about what going on or information even knowledge to make these people keep up with the era and that is always change and advance. Some of you maybe will update themselves by reading through books. It is a good choice to suit your needs but the problems coming to a person is you don't know which one you should start with. This Space Opera: Aventuras fabulosas por universos extraordinários (Portuguese Edition) is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and wish in this era.

Evelyn Rogers:

Exactly why? Because this Space Opera: Aventuras fabulosas por universos extraordinários (Portuguese Edition) is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will jolt you with the secret this inside. Reading this book next to it was fantastic author who also write the book in such remarkable way makes the content within easier to understand, entertaining method but still convey the meaning totally. So , it is good for you because of not hesitating having this anymore or you going to regret it. This unique book will give you a lot of advantages than the other book include such as help

improving your skill and your critical thinking technique. So , still want to postpone having that book? If I ended up you I will go to the book store hurriedly.
