Cook Better Naked doesn't promise to make you a better cook. For the example in this book, we have a slender coed with sloppy kitchen skills, named Jenny. She will attempt to bake a batch of her grandmother's oatmeal cookies, that she kind of remembers the recipe to.

Jenny learned a long time ago, that cooking in the nude helps cut down on the amount of food stained clothing that gets tossed in the laundry. For demonstration purposes, she has allowed herself to be documented, along with nearly three dozen images, baking a batch of oatmeal cookies while she is completely naked. Jenny is proud of her efforts to keep the mess to a minimum, and in the end, she wonders if cooking naked really does help with her baking skills.

This book is intended to be anecdotal and tongue-in-cheek. However, for demonstration purposes, it does contain many images of non-sexual female nudity. It is therefore is intended for adults.
