Forever Friday: A Novel Timothy Lewis Every Friday, a postcard. Every Friday, a love poem. Every Friday for sixty years.

Adam Colby is just doing his job, sorting through the unsold Alexander belongings after the estate sale. He is unprepared for what he finds in an old photo album, overlooked by the bargain hounds and treasure hunters—six decades of postcards and poems from Gabe Alexander to his wife, Pearl. The mystery of the Alexanders' love entices Adam, a man unhinged by divorce and puzzled by the depth of commitment that he finds in the unabashedly romantic cards.

Forever Friday invites you to travel back in time to the early twentieth century Texas Coastal Bend where a young couple—Gabe and Pearl Alexander—are swept up in a miraculous love. As the heartwarming, pulsequickening story of their relationship develops through Gabe's poems, the Alexanders reveal a new way to consider what it means to be truly devoted to each other. Could the secrets of their love affair, laid to rest twenty years ago, hold the key to one man's future?

From the Trade Paperback edition.
