A handful of ordinary Americans -- housewives, lawyers, interior decorators, and the like -- found themselves caught up in a transdimensional conflict, and transported from their homes to realms where magic worked, to desert planets and rebel worlds, to places straight out of science fiction and fantasy. But these were not the harmless, happy-ending lands of film and fable. The sweat and blood was real, and the horrors they faced genuinely dangerous. One world was a world of magic, ruled by a dark force called Shadow. A handful of would-be heroes resisted Shadow's dominion, and sought assistance in their desperate struggle to free their homeland. Against their will, these few people were flung into battle . . . IN THE EMPIRE OF SHADOW

"In Worlds of Shadow, Lawrence Watt-Evans tells an exciting tale with memorable characters and relentless action. A must-read for fans of dark fantasy and horror." -- Karen E. Taylor, author of "The Vampire Legacy" Series
