Lincoln and His World Vol. 2: Prairie Politician Richard Lawrence Miller

The second volume of Lincoln and His World explores Lincoln's private life: his romances with Ann Rutledge and wealthy plantation belle Mary Owens, his intimate friendship with Joshua Speed, and a stormy, loving relationship with the vivacious and passionate Mary Todd. Rather than concentrate on how Lincoln affected the world, author Richard Lawrence Miller shows how the world affected Lincoln, placing Lincoln in historical context to help readers to understand him. Presenting numerous firsthand recollections, Miller lets participants speak for themselves, an approach reflecting his years in public radio script writing.
