Pagan's Crusade: Book One of the Pagan Chronicles Catherine Jinks

"Jinks's alternately hilarious, often poignant novel turns medieval history into fodder for both high comedy and allegory." — PUBLISHERS WEEKLY (starred review)

Down on his luck and kicked in the pants one too many times, Pagan Kidrouk arrives on the doorstep of the Templar Knights in medieval Jerusalem, looking for work as a squire. Expecting only a respite from life on the street and a few square meals, the sarcastic sixteen-year-old finds himself hard at work for Lord Roland de Bram — a not-so-exciting life of polishing Lord Roland's armor, laundering his garments, and even training to fight by his side. But as the Infidel Saladin leads his army to Jerusalem, it becomes more and more difficult for Pagan and Lord Roland to decide what action to take or whom to trust. Is a bloody battle for control of the Holy City inevitable?
